## **THE CHALLENGE..**

Individuals, classrooms, athletic teams, clubs, businesses and families are invited to thematically design, decorate and fill a gift basket for this contest; but more importantly for a family in need. All baskets and money received benefit Saline Area Social Services. On Saturday, March 14 from 8 AM - 2 PM your basket will compete in a creativity contest at the Saline Spring Craft Show. People at the show are encouraged to vote for their favorite basket by placing money in the voting box. The entry that receives the highest vote in each category will win a prize.

**It is important that you read the guidelines below so that you don't miss out on this opportunity to help a family in need!**

## **DESIGN TIPS...**

- Many entries have a specific theme! What is going to make yours stand out?
- The container that holds the items does not have to be a "basket". We've seen it all— laundry baskets, coolers, wagons, decorative boxes, inflatable pools, etc. The container should be something that is able to be donated to the charitable organization.
- Please consider using cellophane to wrap your entry if it contains valuables.
- Visit [www.salineshows.com](http://www.salineshows.com) to view photos from previous years to see what the contest is all about!
- Feel free to include items such as: non-perishable foods, gift cards, books, toiletries, toys, board games and clothing.
- Do not include: perishable food items, tobacco and alcohol
- We encourage you to label your entry with its creator names. People are more apt to vote if they know the individual or group that made it!
- Keep the contest categories in mind: PreK-6th Grade Group, 7th-12th Grade Group, Individual 17 & Under, Individual 18 & Over, Profit Group/Business, Family/Church/Non-Profit Group (6 total categories)
