Thanksgiving Meal/Adopt A Family until Nov 16th
December Holiday Meal until Dec 14th

With the help of donations every year from our community, Saline Area Social Service has been providing holiday gifts to families in-need in the Saline area since 1961.

This year, due to COVID-19, SASS is making a few changes to our holiday program. To help ensure that 150 families still receive the same level of support this year, we are asking for the community's help in providing gift cards instead of gifts or food.

Ways To Help:

- **Thanksgiving Meal Gift Cards** (suggested amount \$75) -- Provide gift cards in \$25 increments for Meijer or Walmart. Gift cards due to the SASS office by **Monday, November 16th**.
- **Adopt A Family Gift cards** — Sponsors will be matched with households and purchase gift cards to places requested by our clients. Suggested **minimum** \$50/adult, \$100/child. Gift cards due to the SASS office by **Monday, November 16th**.
- **December Holiday Meal Gift Cards** (suggested amount \$75) -- Provide gift cards in \$25 increments for Meijer or Walmart. Gift cards due to the SASS office by **Monday, December 14th**.
- **Support the program with a monetary donation.** Specify "holiday" when making your donation and SASS will apply your donation towards these three events.
