

How to schedule a COVID-19 vaccine with WCHD

Last updated: 3/22/21

This information is for people who are currently eligible for COVID-19 vaccination.
Not sure if you're eligible? Find out online at <http://bit.ly/wchdvaxsignup>

Fill out this form online: <http://bit.ly/vaxwchd>

If you are eligible, you will be able to schedule yourself if there are appointments available.

If you cannot use online resources, please call our main phone number for assistance: 734-544-6700

Things to know:

- New appointments will be added at least weekly. If no appointments are available, please check back at a later date.
- If you schedule an appointment but find another option or cannot make it, please cancel your Health Department appointment so someone else can schedule.
- All vaccination is by appointment only. Do not show up at any vaccination site without an appointment. (No doses are wasted. Do not show up to request an unused dose.)

**Please be patient. Vaccine supplies are limited right now.
It will take weeks to vaccinate everyone currently eligible.**
