

2021 Washtenaw County DHHS Holiday Assistance Online Application

October 18, 2021 to November 5, 2021

<https://forms.gle/JkHb3DDj8iUkhaQt6>

The Washtenaw County DHHS Holiday Assistance Program provides holiday help to families with children (under age 18) and senior citizens (over age 65) current served by Washtenaw County DHHS.

We will prioritize holiday assistance to customers who fall into one of the following categories:

- 1) **Families** receiving **FIP (Family Independence Program)** cash assistance
- 2) **Families** with an active **CPS or Prevention** case (Foster Care families are eligible for a separate holiday program)
- 3) **Families** participating in **Pathways 2 Potential** at Erickson Elementary
- 4) **Seniors** (over age 65) receiving **Medicaid** and/or **Food Assistance**
- 5) If additional donors are available, we will then match donors with families actively receiving **Food Assistance (FAP)** and/or **Child Day Care (CDC)** benefits

Because this is not a DHHS entitlement program, there is no guarantee an applicant will be served based solely on the submission of an application. If we are not able to match an applicant to a donor, we will work with the applicant to make a referral to another agency or program. The availability of sponsors, type of donations, and the number, type, or value of gifts provided is not guaranteed.

If you need assistance filling out the application or have any questions, feel free to contact us at MDHHS-Washtenaw-Holiday-Assistance@michigan.gov or at (734) 481-2014. Please allow us 48 hours to respond to emails and voicemails.

During the application period, we will have someone in the DHHS lobby (22 Center St, Ypsilanti) to assist with applications Mondays and Wednesdays from 10am-2pm and Fridays from 1pm-5pm (excluding October 29).
