

Thank You Report

"I am so very grateful for SASS and all those who volunteer their time and smiles to provide those of us trying to make ends meet with expensive food and medical care. Without their invaluable support many of us would have so much less to enjoy when we eat at home alone. They inspire us to create good meals and have fun doing it. "

- SASS Client

"The staff and volunteers are wonderful. They are always caring, kind and 100% helpful. They always know where to direct you for any problems."

- SASS Client

Thank you for your generous support over the past year! Because of your contributions, we were able to provide food and assistance to 621 of our neighbors, providing over 160,000 meals. Many of these individuals received weekly support, especially during the holidays.

Thanks to the kindness of people like you, we not only meet food and emergency needs but can also ask ourselves, "How can we make a deeper impact?"

In 2024, we launched our coaching program, which provides one-on-one guidance to help families navigate crisis when they come to us for emergency assistance. For 2025 and beyond, we aim to be more than just a food pantry. We will continue to develop our coaching program and expand into other areas such as budgeting and the creation of a micro-enterprise training program to assist clients in starting their own small businesses.

We are excited about what the year will bring and the positive changes we can achieve together!
