Summer Learning Camp

Our first Summer Learning Camp has been a huge success! We're so grateful to everyone who helped support getting this new program up and running. Volunteer tutors led engaging lessons. Our kids had a fun time learning about insects and nature habitats with the Leslie Science & Nature Center (LSNC) and had swim lessons at the Saline Rec Center.

We're so proud to be able to offer this program for FREE to the Saline Social Service families as well as to other residents of the community. Thank you to our volunteers and others who supported this much needed community program.

Back-to-School Challenge!

Join us in August for a Challenge Match for back-to-school gear! The Ryder-Faulstich Foundation is generously matching up to \$7,500 for kids shoes, backpacks, supplies and mental health support for the coming school year.
