

WHO WE ARE

Saline Area Social Service is a resource for anyone struggling to make ends meet in the Saline community. We provide groceries and household essentials, programs that support quality of life for students and seniors, special gifts and meals during the holidays, emergency assistance for rent, utilities, and car repairs, and referrals to additional aid organizations.

HOW YOU CAN HELP

Our fundraising goal of \$750,000 this year will help SASS continue our programming and meet the increased need in our community. SASS does not receive government assistance and relies 100% on our community to fund our programs and operations. Your partnership will help us continue our mission to help our neighbors.

SASS helps our neighbors put nutritious food on the table, keep a roof over their heads and receive the support they need to get through a crisis.
